

Norfolk Quilters Sales Table Guidance

This is the correct form for listing items for the sales table. Please use only the correct form. These are also available from Sue (Treasurer)

Make sure all items are clearly marked.

Magazines offered for sale must not be older than 3 years.

Recently we increased the amount Norfolk Quilters keep from any sales to 20% of the sale price. This goes towards the costs of hiring halls, insurance and refreshments so that we can keep other charges to a minimum while maintaining the standards we have all come to expect from a Norfolk Quilters event.

This is a trial only until 30th September, when the matter will be raised at the AGM where members will be able to comment.

When collecting the money from your sold goods please be patient; it is a very onerous task for the Treasurer organising the amounts sold to try to ensure that you receive the correct amount owed to you.
